

FIRE INSTRUCTIONS

Concerning the prevention and the fire control

(to be given to any family residing in the Club 40)

GENERAL INSTRUCTIONS GENERALES

- **Locate the sites of the extinguishers on your arrival.**
- **The vehicles must not be parked on the ways or to overflow on those.**
- **The barbecues must be the subject of a constant monitoring and never constitute an obstacle.**
- **Cooking and heating devices will be installed by qualified people and according to the legal regulations. Their use will be done in accordance with the instructions and will never be left without monitoring. The little children will be held at distance.**
- **Campfires are prohibited.**

SITES OF THE FIRE CONTROL EQUIPMENT

These sites are easily identifiable by means of the suitable pictograms.

- the only telephone number in case of emergency is **112**, including for firemen.
- controlled extinguishers are at the following places:
 - In a red shelter fixed on the lighting posts located between the sites N° 7-8 and 36-37.
 - In the wash-house in front of to the ladies toilets. Ther is also includes a sand bucket and a shovel.
 - An extinguisher of great power is stored in the wash-house.

WHAT TO DO IN CASE OF FIRE?

- Do not panic.
- Evaluate the importance of the fire and adapt your reaction in accordance.
- Warn the housekeeper and ask him for assistance.
- Use the means of fight available (see above).
- Call the firemen **at 112**
- Remove any obstacle to avoid delaying the intervention of the firemen.

**Ask the housekeeper for your personal copy.
These instructions should always be available in your caravan!**
